

New lease signed for the Be Issy building with the consulting firm Leyton

Gecina is delighted to welcome the consulting firm Leyton with nearly 3,700 sq.m of office space in the **Be Issy** building in Issy-les-Moulineaux.

Covering a nine-year period, this new lease will be effective from September 15, 2019. It follows the arrivals of Séqens and Edenred, **taking this asset's letting rate up to almost 80%**.

Delivered in the second half of 2018, Be Issy is close to public transport links (T2 Tram, RER C), which will be further strengthened with the delivery of the future Grand Paris Express metro line (Line 15) in 2025. This is one of the first buildings to offer the BEPOS label (positive energy building).
