NOTICE OF MEETING OF THE HOLDERS OF THE FOLLOWING NOTES

Issue of €500,000,000 1.50% *per annum* notes due January 20, 2025, issued by the Company on
January 20, 2015

ISIN Code: FR0012448025 – Common Code: 116970155
(the “Notes”)

Introduction

As the leading office real estate company in Europe, with the largest private residential portfolio in Paris, and as the largest French integrated player in student housing, Gecina's main focus is sustainable performance at the heart of urban life and a more inclusive, energy-efficient and fluid city. At the end of December 2020, Gecina's portfolio was worth €19.7 billion, almost exclusively located in the Paris Region.

Gecina has a clear strategy based on a non-duplicable asset base, in which its Corporate Social Responsibility (“CSR”) policy plays an integral role. To support the overall CSR strategy of Gecina and all its consolidated subsidiaries (the “Group”) and the continuous improvement of the asset portfolio and its environmental performance, it is proposed to continue integrating this CSR dimension into Gecina's financial structure by undertaking the greening of its entire bond portfolio. Gecina therefore proposes to the Noteholders that all of its bond issues be requalified as “green bonds” (as detailed below).

This operation has absolutely no impact on all the other characteristics of the Notes (financial conditions, interest rates, maturity, etc.) or on Gecina's credit rating (A- at S&P Global Ratings Europe Limited and A3 at Moody's France S.A.S.).

NOTICE

In light of the ongoing developments relating to the Coronavirus (COVID-19) and in accordance with the provisions of Decree no. 2021-255 of March 9, 2021 extending the period of application of Order no. 2020-321 of March 25, 2020 and Decree no. 2020-418 of April 10, 2020, adapting the rules of meetings and deliberations meetings and governing bodies of legal entities due to the COVID-19 epidemic, and in light of the administrative measures limiting collective gatherings for health reasons, the General Meeting will be held in closed session (*huis clos*) at Gecina's registered office at 14-16, rue des Capucines, 75002 Paris, France, without the physical presence of the Noteholders.

Under these conditions, Noteholders are invited to participate in the General Meeting by proxy to the Chairman of the General Meeting or by correspondence.

To ensure that Noteholders are kept fully informed, the General Meeting will be broadcast by conference call, the access number of which will be communicated to any Noteholder who submits such a request to the Centralizing Agent and subject to the transmission by such Noteholder to the Centralizing Agent via his account holder of a book entry statement evidencing the registration of such Noteholder on the books kept by the Account Holder as of the Record Date (as defined in the “General” section below).

1. Background

Gecina's CSR policy is global at the Group level and has been a fundamental part of its DNA for many years. Gecina is also one of the best-performing companies in its sector in the major non-financial rankings: GRESB, Sustainalytics, MSCI, ISS-ESG, CDP and ESG CAC 40.

Gecina has just reaffirmed its environmental ambitions by advancing its objective of achieving carbon neutrality from 2050 to 2030. It aims to improve the CSR characteristics of its entire portfolio in order to move towards this overall objective at the Group level.

In line with its CSR commitments, Gecina has sought to align the financing of its real estate projects with its CSR objectives. This transformation is already in progress in terms of bank financial resources with 49% of credit lines (as of April 2021) that are responsible lines. For this reason, Gecina has decided to accelerate this alignment and commit to the implementation of a **100% green bond program**: Gecina's objective is to issue only green bonds in the future, and to requalify all of its existing bond debt as green bonds, by allocating, as from the date of adoption of the Resolutions by the General Meeting, an amount equivalent to the proceeds of the Notes to the financing or the refinancing of a portfolio of eligible green assets, as they meet the environmental criteria described in the Gecina's Green Bond Framework (the **"Allocation of an Amount Equivalent to the Proceeds"**).

In this context, and in accordance with the provisions of Article L.228-65, I of the French *Code de commerce*, the Board of Directors of the Company has the honor of convening the Noteholders (the **"Noteholders"**) to a general meeting (the **"General Meeting"**) to be held on May 6, 2021 at 5:30 PM (Paris time), on first convocation (and if no quorum is reached on second convocation, the date of which will be communicated subsequently by the Company to the Noteholders, where applicable), in closed session (*huis clos*) at the registered office of the Company, 14-16, rue des Capucines, 75002 Paris, France, without the physical presence of the Noteholders, in order to deliberate on the agenda set forth in paragraph 2 below and to vote on the resolutions set forth in paragraph 4 below (the **"Resolutions"**). The approval of the Allocation of an Amount Equivalent to the Proceeds is the subject of the first Resolution set forth in paragraph 4 below.

It is specified that the approval of the Allocation of an Amount Equivalent to the Proceeds will only result in the amendment of the final terms of the Notes dated January 16, 2015 (the **"Final Terms"**), for the purpose of inserting a new paragraph entitled « *Use of Proceeds* », as of the date of approval of the Resolutions by the General Meeting (the **"Amended and Restated Final Terms"**), without modifying the terms and conditions of the Notes (the **"Terms and Conditions"**) set out in the base prospectus dated March 14, 2014 (the **"Base Prospectus"**).

2. Agenda of the General Meeting

The Board of Directors has decided that the following agenda would be submitted to the General Meeting of the Noteholders for approval:
