Proposed resolutions

FIRST RESOLUTION

(Approval of the corporate financial statements for 2022)

The General Meeting, ruling under the quorum and majority conditions required for Ordinary General Meetings, having reviewed the corporate governance report, the Board of Directors' management report and the Statutory Auditors' reports, approves, as presented, the corporate financial statements for the year ended December 31, 2022, showing a net profit of €288,893,656.14, comprising the balance sheet, the income statement and the notes, as well as the transactions reflected in these accounts and summarized in these reports.

Furthermore, in accordance with article 223 quater of the French General Tax Code (Code général des impôts), the General Meeting approves the total amount of expenditure and costs covered by article 39-4 of said Code, representing €124,599 for the past year, which increased the exempt profit available for distribution by €124,599.

SECOND RESOLUTION

(Approval of the consolidated financial statements for 2022)

The General Meeting, ruling under the quorum and majority conditions required for Ordinary General Meetings, having reviewed the corporate governance report, the Board of Directors' management report and the Statutory Auditors' reports, approves, as presented, the consolidated financial statements for the year ended December 31, 2022, showing a Group share net profit of €169,583 thousand, comprising the balance sheet, the income statement and the notes, as well as the transactions reflected in these accounts and summarized in these reports.

THIRD RESOLUTION

(Transfer to a reserve account)

The General Meeting, ruling under the quorum and majority conditions required for Ordinary General Meetings, having reviewed the Board of Directors' management report, decides to transfer to a specific reserve account the revaluation gain on assets sold during the year ended December 31, 2022 and the additional depreciation resulting from the revaluation for a total of €57,797.26.

FOURTH RESOLUTION

(Income appropriation for 2022 and dividend payment)

The General Meeting, ruling under the quorum and majority conditions required for Ordinary General Meetings, and after acknowledging that the accounts for the year ended December 31, 2022, as approved by this General Meeting, show a profit of €288,893,656.14 for the year decides to pay out a dividend of €5.30 per share, drawn against the exempt profits under the SIIC regime, representing, based on the number of shares outstanding and entitled to dividends as at December 31, 2022, a total of €406,102,917.60, of which €288,893,656.14 will be drawn against the distributable profit and the surplus of €117,209,267.46 will be drawn against the distributable reserves.

The total amount of the aforementioned distribution is calculated based on the number of shares entitled to dividends at December 31, 2022, i.e., 76,623,192 shares, and may vary if the number of shares entitled to dividends changes between January 1, 2023 and the ex-dividend date, notably depending on the number of shares held as treasury stock (not taken

into account in the number of shares giving right to dividends as of December 31, 2022), as well as any definitive awards of bonus shares (if beneficiaries are entitled to dividends in accordance with the terms of the plans concerned).

Taking into account the 2022 interim dividend paid on March 8, 2023, for €2.65 per share entitled to dividends in accordance with the Board of Directors' decision of February 15, 2023, the remaining dividend balance, representing €2.65 per share, will have an ex-dividend date of July 3, 2023 and will be paid in cash on July 5, 2023.

The General Meeting stipulates that, since all the dividends have been drawn against the profits exempt from corporate income tax under article 208 C of the French General Tax Code, the total amount of revenues distributed under this resolution is, for individuals who are domiciled in France for tax purposes, in accordance with current legislation, subject to a 30% flat tax, or they may opt to be subject to the sliding income tax scale, without benefiting from the 40% tax rebate provided for under article 158, 3-2 of the French General Tax Code.

In accordance with article 243 bis of the French General Tax Code, note that voted dividends for the last three financial years were as follows:

Financial year	Total payout <small>(not eligible for rebate under 3-2 of article 158 of the French General Tax Code)</small> <i>(In euros)</i>	Dividend per share <small>(not eligible for rebate under 3-2 of article 158 of the French General Tax Code)</small> <i>(in euros)</i>
2019	404,974,378.00	5.30
2020	405,591,001.20	5.30
2021	405,836,105.00	5.30

FIFTH RESOLUTION
(Option for 2023 interim dividends to be paid in shares – delegation of authority to the Board of Directors)

The General Meeting, ruling under the quorum and majority conditions required for Ordinary General Meetings, having reviewed the Board of Directors' report and having noted that the capital is fully paid up, decides, in case the Board of Directors decides to pay out interim dividends for 2023, to offer an option for shareholders to choose to receive each of these interim dividends in cash or in new Company shares, in accordance with article 23 of the Company's bylaws and articles L. 232-12, L. 232-13 and L. 232-18 et seq. of the French Commercial Code.

For each interim dividend that may be decided on, each shareholder may opt for payment in cash or shares exclusively for the full amount of the interim dividend attributable to them. As delegated by the General Meeting, the issue price for each share issued as payment for interim dividends will be set by the Board of Directors and, in accordance with article L. 232-19 of the French Commercial Code, will as a minimum represent 90% of the average opening listed prices on Euronext Paris for the 20 stock market sessions prior to the day of the Board of Directors' decision to pay out the interim dividend, less the net amount of the interim dividend and rounded up to the nearest euro cent. The shares issued in this way will accrue dividends immediately, entitling their beneficiaries to any payouts decided on as from their issue date.

Subscriptions will need to concern a whole number of shares. If the amount of the interim dividend for which the option is exercised does not correspond to a whole number of shares,

shareholders will receive a number of shares rounded down to the nearest whole number, in addition to a cash balance.

The Board of Directors will set the timeframe during which, following its decision to release an interim dividend for payment, shareholders will be able to request payment in shares (although this period may be no longer than three months) and will set the delivery date for the shares.

The General Meeting decides that the Board of Directors will have full powers, with an option to sub-delegate under the legal conditions in force, to implement this resolution, particularly for:

- ▶ carrying out all transactions relating to or resulting from the exercising of the option;
- ▶ in the event of a capital increase, suspending the exercising of rights for interim dividends to be paid in shares for a maximum of three months;
- ▶ allocating the costs of such a capital increase against the amount of the corresponding premium, and deducting from this amount the sums needed to take the legal reserve up to one tenth of the new capital;
- ▶ recording the number of shares issued and the performance of the capital increase;
- ▶ amending the company's bylaws accordingly;
- ▶ and more generally, performing all legal and regulatory formalities and fulfilling all formalities required for the issue, listing and financial servicing of shares issued under this resolution.

- ▶ implementing the Company's stock option plans in accordance with articles L. 22-10-56 et seq. and L. 225-177 et seq. of the French Commercial Code (or any similar plans); or
- ▶ awarding or transferring shares to employees of the Company and related companies in connection with their profit-sharing arrangements or implementing any Company or Group employee savings plans (or similar plans) under the conditions set by French law (particularly articles L. 3332-1 et seq. of the French Labor Code); or
- ▶ awarding bonus shares in accordance with articles L. 22-10-59, L. 22-10-60 and L. 225-197-1 et seq. of the French Commercial Code; or

- ▶ canceling all or part of the securities bought back in this way; or
- ▶ allocating shares (exchanges, payments, etc.) in connection with external growth, merger, spin-off or contribution operations; or
- ▶ managing the secondary market or the liquidity of Gecina's share under a liquidity agreement with an investment service provider, in line with the compliance guidelines on market practices recognized by the French financial markets authority (Autorité des marchés financiers – AMF) (as amended where appropriate).

This program is also intended to enable the Company to trade for any other purpose authorized, either at present or in the future, under the laws or regulations in force, particularly to apply any market practices that may be accepted by the AMF. In such cases, the Company will notify its shareholders in a press release.

Company purchases of treasury stock may concern a number of shares such that:

► on the date of each buyback, the total number of shares purchased by the Company since the start of the buyback program (including the shares subject to said buyback) does not exceed 10% of the shares comprising the Company's capital on this date, with this percentage applying to the adjusted capital factoring in transactions coming into effect following this General Meeting, i.e. 7,662,319 shares, based on a capital with 76,623,192 shares at December 31, 2022, while noting that (i) the number of shares acquired with a view to being retained and issued again subsequently in connection with a merger, spin-off or contribution operation may not exceed 5% of the share capital, and (ii) in accordance with article L. 22-10-62 of the French Commercial Code, when shares are bought back with a view to ensuring the liquidity of Gecina's share under the conditions defined by the AMF's General Regulations, the number of shares taken into account for calculating the aforementioned 10% cap corresponds to the number of shares purchased, less the number of shares sold on again for the duration of the authorization;

► the number of shares held by the Company at any time, either directly or indirectly, does not exceed 10% of the shares comprising the Company's capital on the date in question. Within the limits authorized by the legal and regulatory provisions in force, shares may be acquired, sold, exchanged or transferred at any time, except during public offer periods concerning the Company's capital, and by any means, on regulated markets, multilateral trading systems, with systematic internalizers or on an over-the-counter basis, including through bulk acquisitions or disposals, public tender or exchange offers, option-based strategies, the use of options or other forward financial instruments traded on regulated markets, multilateral trading systems, with systematic internalizers or on an over-the-counter basis, or the distribution of shares further to the issuing of transferable securities entitling holders to access the Company's capital through the conversion, exchange, redemption or exercising of a warrant, or by any other means, either directly or indirectly through an investment service provider (without limiting the percentage of the buyback program that may be carried out by such means).

The maximum purchase price for shares in connection with this resolution will be €170 per share (or the equivalent of this amount on the same date in any other currency), excluding acquisition costs; this maximum price will apply exclusively to acquisitions that are decided on after the date of this General Meeting and will not apply to forward transactions set up under an authorization from a previous General Meeting and including provisions to acquire shares after the date of this General Meeting.

In the event of transactions on the Company's capital, notably in the event of a change in the share's par value, a capital increase through the incorporation of reserves, bonus share awards, stock splits or consolidations, the distribution of reserves or any other assets, the amortization of the capital, or any other transaction concerning the share capital or shareholders' equity, the General Meeting delegates the authority for the Board of Directors to adjust the abovementioned maximum purchase price in order to take into account the impact of such transactions on the value of Gecina's share.

The total amount allocated for the share buyback program authorized in this way may not exceed €1,302,594,230.

The General Meeting grants full powers to the Board of Directors, with an option to sub-delegate under the legal conditions in force, to decide on and implement this authorization, to clarify its terms, if necessary, and determine its conditions, to carry out the buyback program, and notably to place any stock market orders required, to enter into any agreements, to allocate or reallocate the shares acquired to the objectives set under the legal and regulatory conditions in force, to set the conditions for safeguarding, if applicable, the rights of holders of transferable securities entitling them to access the capital or other rights giving access to the capital in accordance with legal and regulatory provisions and, when relevant, the contractual stipulations providing for other adjustment cases, to perform any filings necessary with the AMF and any other relevant authorities, to perform all formalities and, more generally, to do whatever is required.

This authorization is given for an eighteen-month period from this date.

This authorization cancels and replaces as of this day and up to the amount of the portion not yet used, as relevant, any prior delegation granted to the Board of Directors with a view to trading in the Company's shares.

EIGHTEENTH RESOLUTION (Powers for formalities)

To encourage participation in this General Meeting, shareholders also have the option to submit their voting instructions, appoint or dismiss a representative, and/or request an admission card online before the General Meeting with the VOTACCESS platform, under the conditions set out below:

To access the General Meeting's dedicated site, holders of shares on a registered basis who would like to vote, appoint or dismiss a representative, and/or request an admission card prior to the General Meeting will need to sign in to the investor website at <https://www.investor.uptevia.com> using the internet login details indicated on their voting form. Once they are on the site's homepage, they will need to click on "First-time log in" then follow the instructions to generate a password. Once they have signed in, they will need to select the "Online Voting" module and they will be redirected to the secure VOTACCESS platform.

Bearer shareholders will need to contact their custodian to determine whether or not it is connected to the VOTACCESS site and, if applicable, if this access is subject to any specific conditions for use.

If the bearer shareholder's custodian is connected to the VOTACCESS site, the shareholder will need to identify themselves on their custodian's online portal with their usual access codes. The shareholder will then need to click on the icon shown on the line corresponding to their Gecina shares and follow the instructions on screen to access the VOTACCESS site and vote or appoint / dismiss a representative, or request an admission card.

The VOTACCESS site will be open from 10am on April 5, 2023 to 3pm (Paris time) on April 19, 2023, the day before the General Meeting.

It is recommended that shareholders with their access codes should not wait until the final few days to indicate how they would like to take part in the General Meeting in order to avoid potential bottlenecks on the website.
