## **Results for the Eurosic and Foncière de Paris General Bondholders' Meetings**

The General Bondholders' Meetings for the bonds issued through private placements between 2012 and 2015 by Eurosic (three issues) and Foncière de Paris (six issues) were held on Friday June 8, 2018.

All the resolutions submitted for approval were unanimously adopted by the bondholders who were present or represented. Gecina SA is now therefore the issuer for these bonds instead of Eurosic and Foncière de Paris.

This operation, which is in line with the strategy to optimize and simplify the management of the Group's financing, has not had any impact on its consolidated financial structure, including its average cost and its repayment schedule.
